

C 15

Stackable Chair with Beech or Oak Plywood Shell

Natural. Stackable. At home in any space.

Restaurant & Canteen

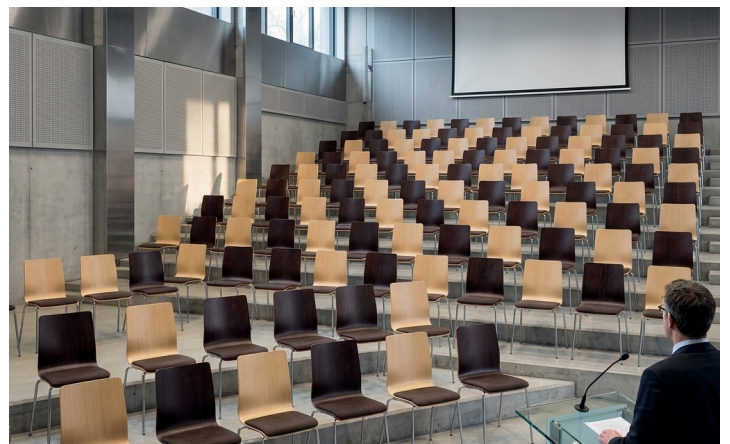

C 15

The C 15 is a well-proportioned four-leg stackable chair with an ergonomically shaped seat shell in beech or oak plywood and a steel tube frame. Chrome-plated or powder-coated — optionally with seat or backrest upholstery.

The C 15 combines the warmth of natural wood surfaces with the flexibility of a modern stacking chair. The plywood shell is available in natural beech lacquered or natural oak lacquered. The steel tube frame is chrome-plated or powder-coated in RAL colours. The chair stacks compactly and is available with optional seat cushion, backrest cushion or full upholstery.
