

C 45

Conference chair with mesh back

Timeless. Comfortable. Convincing in every configuration.

Mesh back · Front view black

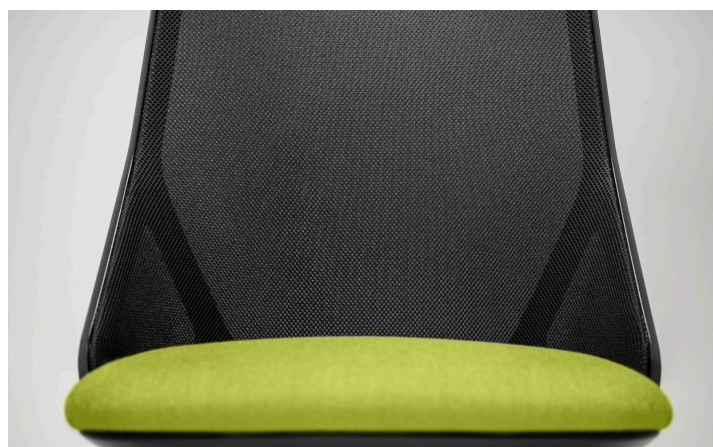

C 45

The C 45 is an Italian-designed conference chair with an ergonomically shaped seat and an elastic mesh back. The die-cast aluminium frame is available chrome-plated or in black. Optional armrests.

The C 45 — Cicero — combines precise Italian design with outstanding seating comfort for professional use in conference and meeting rooms. Designed by Paolo Orlandini (Orlandini Design, Milan), the chair speaks through its clear, balanced lines. The mesh back is available in numerous colours — from black and charcoal through ocean and green to classic white. The seat is cold-foam upholstered, available in a wide range of fabric and leather covers.

C 45 — Specifications

- mesh back in 8 colours
- frame in chrome or black
- optional armrests
- 3 base variants: 5-star swivel base with castors and tilt mechanism, 4-star base fixed with glides, spider base with glides (with or without tilt mechanism)
- wide range of fabric and leather covers for the seat

Dimensions

Width	610 mm
Depth	565 mm
Total height	855–960 mm
Seat height	440–545 mm
Back height (from seat)	415 mm

Armrest height (from seat) 205 mm
Dimensions per manufacturer drawing for K 245 with 5-star swivel base (height-adjustable via gas lift). K 244 (high backrest, same base): width 610 mm, depth 590 mm, total height 985–1090 mm, seat height 440–545 mm, back height from seat approx. 545 mm. K 245 with spider base (fixed height, no gas lift): width 610 mm, depth 565 mm, seat height 470 mm, total height 880 mm. No dedicated drawing exists for K 245 with 4-star base, likely similar to the spider-base version.
