

HT 48

Standing table with round base

Standing. Communicating. Always in shape.

HT 48

The HT 48 is the standing table of the Round family — with slender central column and flat round base plate at 1050 mm height. For standing zones, trade fairs and communicative areas in office and hospitality.

The Round base of the HT 48 is identical to the T 48 and LT 48 — at standing table height of 1050 mm. The slender steel column with flat round base plate provides full stability even at this height.

Tabletop in melamine, HPL, outdoor compact laminate, linoleum, veneer or ceramic. Round formats Ø 60, 70, 80 cm. Base chrome-plated or powder-coated in black, white, anthracite or custom RAL colour.

HT 48, T 48 (720 mm) and LT 48 (520 mm) share the same base design — for a consistent look across lounge, meeting and standing zones.

HT 48 — Specifications
