

HT 53

Round standing table with tulip base

Standing. Round. Social.

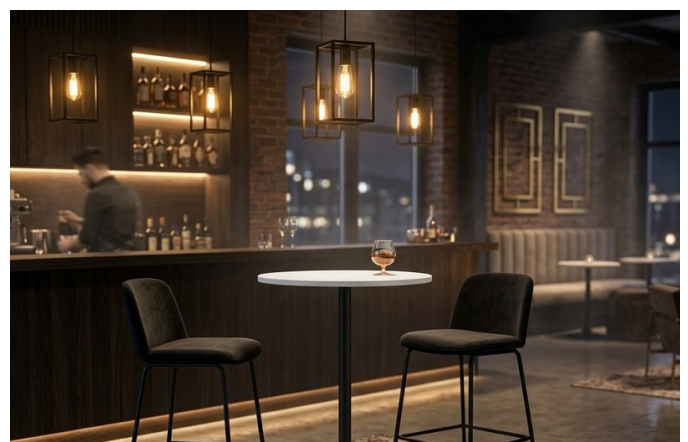

HT 53

The HT 53 is the standing table of the Flink family — with a circular tabletop Ø 555 mm and a characteristic tulip base. At a height of 1070 mm it is the ideal meeting point for standing conversations in lounge, gastronomy and event areas.

The tulip base of the HT 53 shares its aesthetics with T 53 and LT 53 — a one-piece steel column with a wide base plate, powder-coated in black or white. The standing height of 1070 mm provides an ergonomic standing position and invites informal communication.

The circular top (Ø 555 mm) is available in melamine, HPL or veneer. Robustly built for public areas: event venues, hotel bars, canteens, trade fairs and exhibition spaces.

HT 53 — Specifications
