

LT 53

Round lounge table with tulip base

Compact. Round. Lounge-ready.

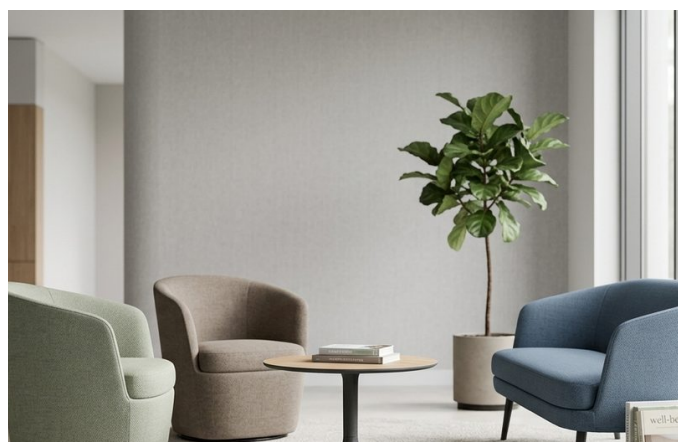

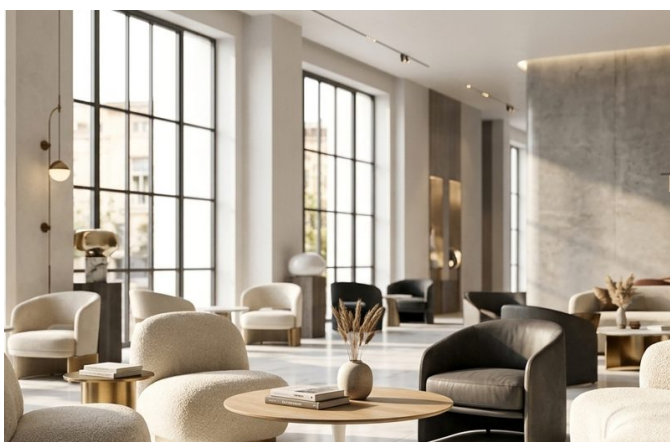

LT 53

The LT 53 is the lounge table of the Flink family — with a circular tabletop Ø 555 mm and a characteristic tulip base. At a height of 450 mm it pairs perfectly with low lounge seating and can be freely combined with T 53 and HT 53.

The tulip base of the LT 53 is identical to the T 53 and HT 53 family — a one-piece steel column with a wide base plate, powder-coated in black or white. The compact height of 450 mm makes it the ideal companion for lounge chairs, sofas and waiting area furniture.

The circular top (Ø 555 mm) is available in melamine, HPL or veneer. Wide base, robust construction — for hotel lobbies, waiting areas, bistro zones and lounges.

LT 53 — Specifications
